[redacted]:If you are looking for the perfect place to fulfill your dream of having a luxurious rural hotel, in an authentic Andalusian hacienda, you don't have to look any further, this is a dream location! A large stone courtyard surrounded by four independent houses, completely renovated at the height of the times, but respecting the charm and original 19th century character. Multiple resting places, scattered throughout more than six hectares of land, where you can escape from the madding crowd and lose track of time. Two swimming pools - a small one and another infinity of 15m x 4m- where you can cool off and sunbathe complete the leisure areas. Outside there are also olive, almond, fig and citrus trees. The four houses are renovated to high standards and occupy a built area of almost 1000 m2. In total there are 11 bedrooms, 7 bathrooms, each house has its own living-dining room, kitchen and private terrace. The ceilings and walls were filled with a special insulation that keeps the interior at a constant temperature throughout the year. Each house also has a fireplace in the living room to give a touch of warmth during cold winter nights. The current owners operate it as a rural hotel for clients looking for a retreat of peace and tranquility. We are delighted to be able to present this property to you soon, either personally or through virtual viewing. Because this world is unique - like our Axarquía. In Andalucia. On the Costa del Sol. Here, on the sunny side of life ...
