■■■■■■■■■■:Plot with villa in a very quiet residential area, just a few minutes walk from the Palacio de Congresos de Marbella and the old town. The house is located on a plot of 1.426m2 with a wonderful and large garden surrounding the beautiful pool. It has a guest house of 50m2 with living room, bedroom and bathroom that could be added to the main house very easily. It also has subway parking for 2 cars with easy access from the street. Ideal for families who want to live very close to schools, restaurants, supermarkets and all the services offered by the city or Investors.
