Marbella Club Golf Resort: 4200 m<sup>2</sup> plot for sale The Marbella Club Golf Resort is a world class golf course that exceeds even the highest expectations. With a total length of 6,2 km, the golf course is enhanced by carefully contoured fairways, beautiful waterfalls and lakes, as well as undulating and protected greens, maintained to perfection. Around the golf course, the luxurious gated community of Marbella Club offers exciting real estate opportunities for those seeking a home in the sun amongst peaceful surroundings. If you are looking to acquire a plot of land to build yourself the property of your dreams, you shouldn't think so long, just give us a call. This is an unique opportunity to purchase a 4200 m<sup>2</sup> land: one of the best plots available in urbanization. With a South-Southeast orientation and its location into a quiet dead end road, the plot offers amazing panoramic open views to the golf course, the mountains and the sea. The resort has a riding center that hosts the Spanish Show Jumping Championships. The fabulous stables offer an exciting array of activities for horse riding fans, ranging from treks through the beautiful countryside to training for high-level competition. Marbella Club Golf Resort counts on 24 hours security, with restricted access and a sophisticated video surveillance system. For more information, do not hesitate to get in touch with us. KDT
