[redacted]:Unique Opportunity for Investors - Proposals are heard to carry out a Residence for the elderly 3109 m2 plot located in the heart of the city of Campillos. It has a project, market and financial study to carry out residency for the elderly. Did you know that in recent decades the Spanish elderly population has experienced considerable growth. The number of people over 65 has doubled in the last 30 years. This aging phenomenon will continue in the coming years, the elderly population will continue to increase significantly. In 1991, the number of people over 65 years of age was 5,497,956, 14.1% of the population, and it is expected by 2026 10,876,681 21.6% of the population. Don't miss out on this business opportunity ... call us!
